Hello,

As a Doctor of Veterinary Medicine, we want to thank you for choosing a profession that cares for the health and wellness of pets and their families. At Banfield Pet Hospital, we value the education and experience that veterinarians such as yourself provide in helping to increase pet lives as a result of exceptional services, education and support.

As our Practice continues to grow, we welcome the opportunity to employ qualified veterinarians with the knowledge and skills to deliver quality care to our clients. We care about the future of the veterinary profession and recognize that also involves caring about the future of our associates. We believe that veterinarians must be empowered to fully utilize their clinical skills to help make life better for pets and families while enjoying personal and professional rewards not found anywhere else.

We are opening a **brand new hospital in Erie, PA** and are currently seeking a highly qualified veterinarian to join our team at this location. If you are considering a new opportunity, or know of a colleague who may be interested, we would love to hear about it! We are also hiring for Licensed Veterinary Technicians, Veterinary Assistants and Receptionists (Client Service Coordinators).

Please visit our website at: [Banfield Careers](#) to view our full list of open positions or contact me directly for information about the position(s) listed above.

Sincerely,

Danielle Andrews
